

*Adding Value in Every Project*

# GLOBAL CONSTRUCTIONS

(PFB ENGINEERS & CONTRACTORS)

## Office Address

Office No: 1, 4th Floor Silver Central, Behind CNG Pump,  
Jadhawadi, Chikhali, PCMC, Pune - 411062

Factory Address : At Post. Wadgaon Pir, Tal. Ambegaon, Dist. Pune - 410 510

WhatsApp: 9503058022 / 9960762020 | Email: [tanajirajgude@gmail.com](mailto:tanajirajgude@gmail.com)

# About Us

**GLOBAL CONSTRUCTIONS** take immense pleasure in introducing ourselves. We are engaged in construction activity since 2001. During this period we have completed many projects..

Today, **GLOBAL CONSTRUCTIONS** is a leading construction company in the Industrial sector. The company also has extensive experience in handling Commercial, Housing, and Industrial projects. Industrial construction is a very important component of the construction industry. Processes in these industries require highly specialized expertise in planning, design and construction. At **GLOBAL CONSTRUCTIONS** we bring a refreshing approach to the entire Design and Build process and have value additions at every stage. Our team of engineers are proactive with a "I CAN" attitude which means that all projects are successfully delivered within the budget and matching the highest standards expected by our clients.

## OUR QUALITY CONCEPT

We believe that Construction process is an aesthetics art which has to be properly given shape and strive to bring a systematic quality approach to serve our clients.

## VALUES WE CHERISH

**Vision-** To be a significant contributor in Industrial Construction.

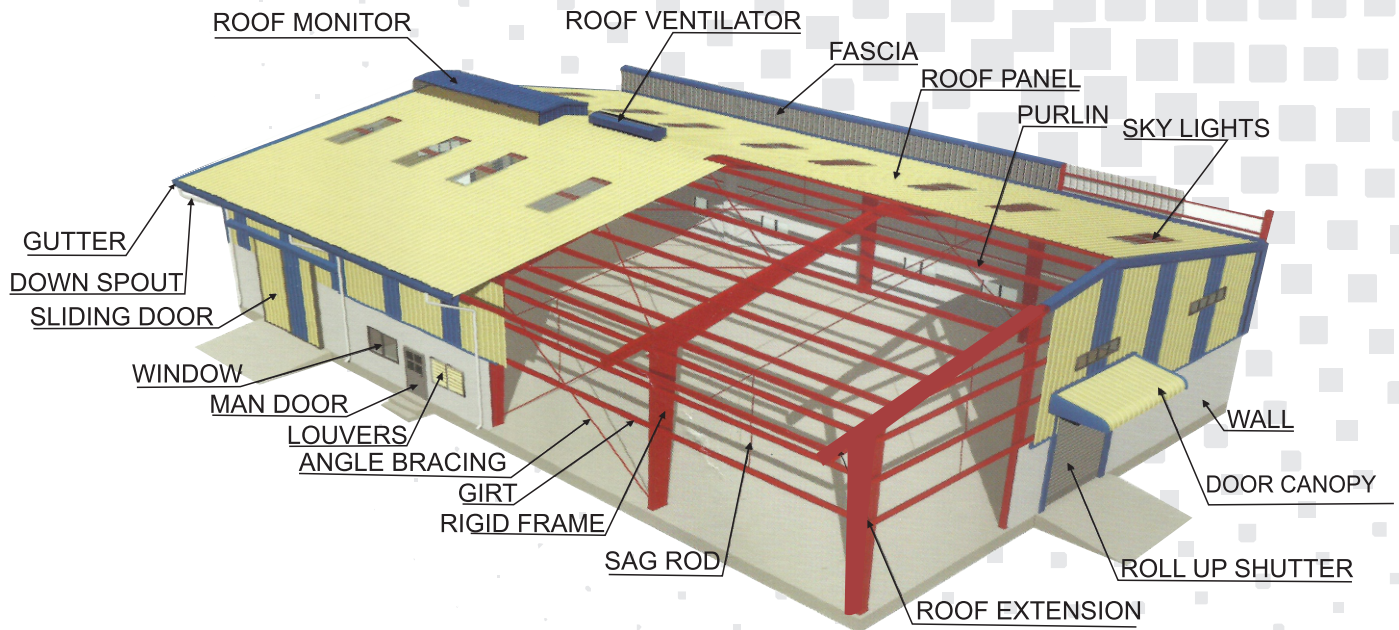

**Mission-** To build quality Construction timely and to achieve highest level of Customer satisfaction.

**Quality Policy-** To deliver quality constructions within the committed time frame, observing strict Engineering Safety and Environment standards and to strive for continual improvement through upgraded technology.

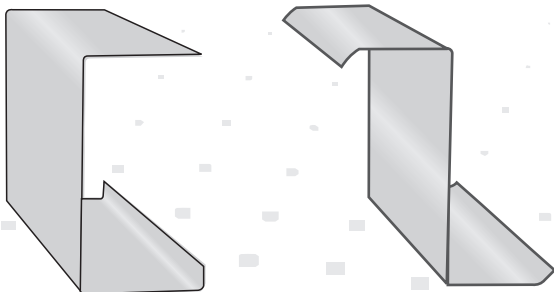

## QUALITIES WE IMPLEMENT >>>>

- **Reliability** We provide and deliver precision services-timely
- **Experience** we have been delivering first class Quality for more than 15 years
- **Co-operation** We want to grow with our employees & associates
- **Innovation** We stay one step ahead...always!
- **Products** We offer our customers exactly what they need
- **Environment Technology** We protect our environment
- **Trust** We believe in customer satisfaction
- **Efficiency** We help to lower construction costs & reduce time
- **Safety** All the above is possible only if SAFE working practices are adopted
- **Team-work** We work as a TEAM to meet the highest requirements

# Pre Engineering Buildings (PEB)

## Secondary Members

Global constructions provides standard, secondary members “Z”, “C” sections for Purling, Wall Girts as well as custom profiles girts, Secondary sections are coil formed using steel with Yield strength of 245/345MPa, sizes range from C100 to C300 deep and Z100 to Z300 with

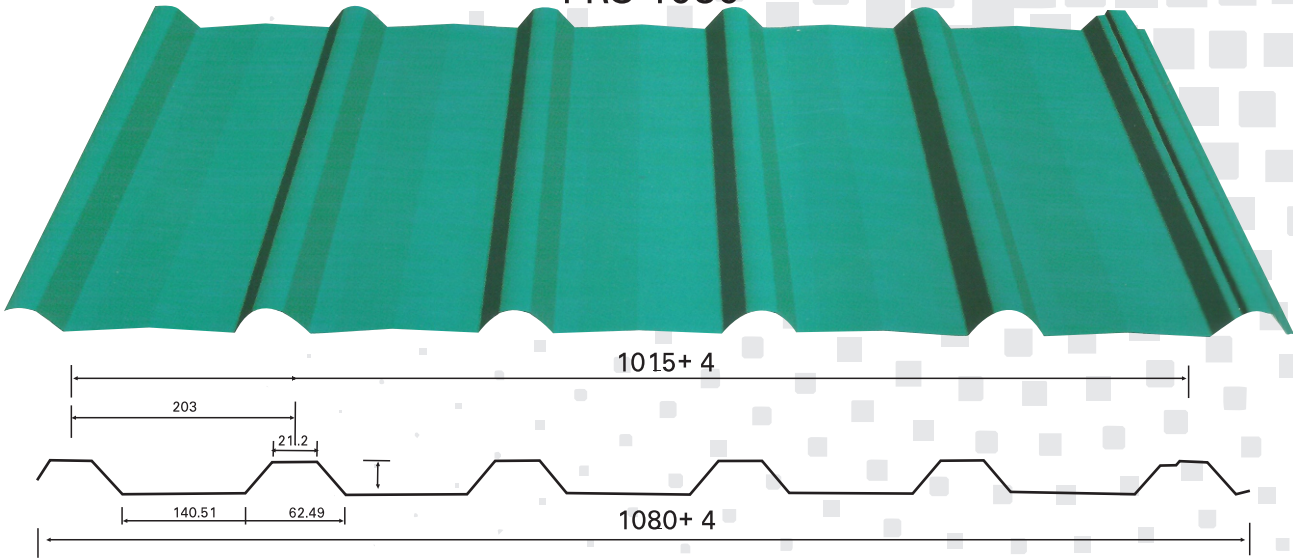

minimum of 1.5mm to maximum 3mm thickness. Secondary section are produced in Galvanized or bare with web and flange punching with round and slotted holes with a length up to 12 meters.

### SPECIFICATIONS

Yeild Strength	Coating	Purling / girts	
		C Section	Z-Section
245 Mpa To 345 Mpa (Bare/ Primer Coated Galvanized)	120GSM 175 GSM 275 GSM	C100	Z100
		C120	Z120
		C140	Z140
		C180	Z160
		C200	Z180
		C220	Z200
		C250	Z220
		C300	Z250
			Z300

## MATERIAL SPECIFICATION

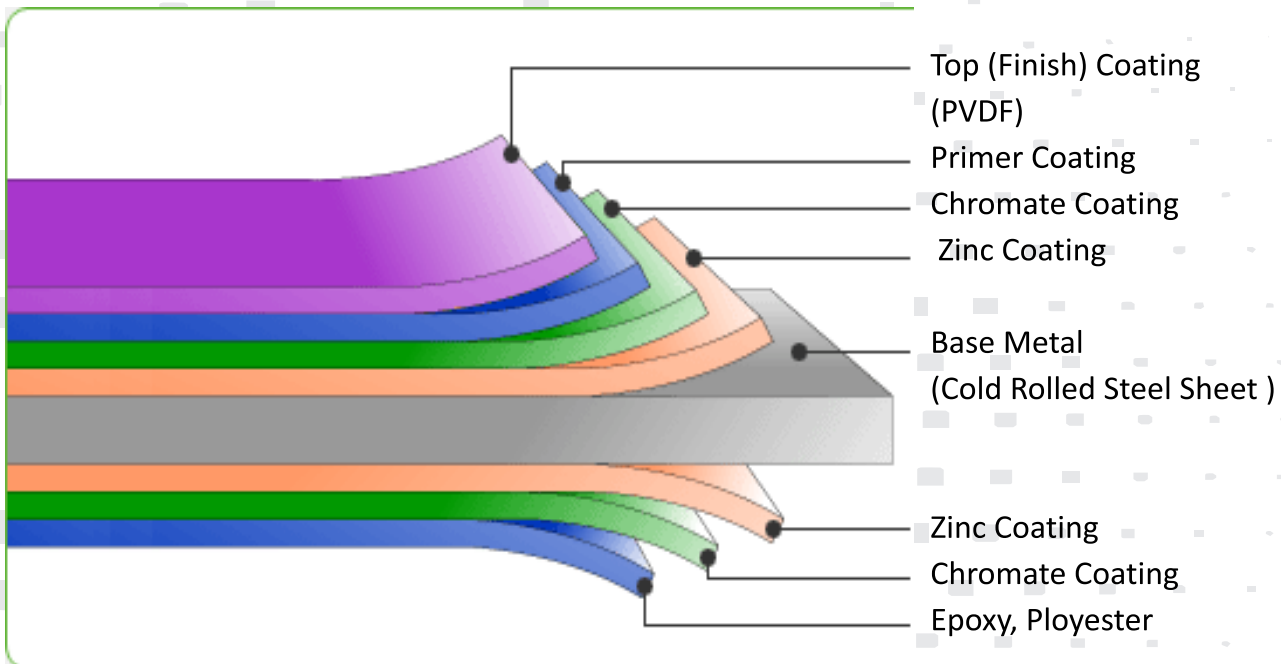

- Material confirm to
- Coating on Thickness
- Zn Coating (GSM)
- Painting Systems
- Mpa
- Primer Service Coat
- Top coat (Exposed Surface)
- Bottom coat

## PRE PAINTED GALVANISED IRON (PPGI)

IS277, IS513 & IS14246  
 Hot dip Galvanized iron  
 Standard Thickness of 0.50mm TCT  
 Zn120  
 regular modified Polyester Paint (RMP)  
 Optional (SMP & PVdF)  
 245Mpa  
 5μ microns Epoxy  
 18μ to 20μ  
 5μ to 7μ

## PRE- PAINTED GALVALUME STEEL SHEETS (PPGL)

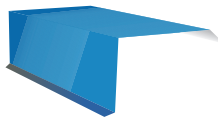

As1397  
 Galvalume  
 Standard Thickness of 0.50mm TCT  
 AZ150  
 Regular Modified Polyester  
 Optional (SMP & PVdF)  
 245/350/550MPa  
 5μ microns Epoxy  
 18μ to 20μ  
 5μ to 7μ

## Our Esteemed Client List

01. Supreme Roadways Ltd, Wagholi.
02. Nutan Techno Fabs, Bhosari.
03. Arti Equipment and Warehousing Pvt Ltd, Wagholi.
04. Talbros Automotive Components Ltd, Pimpri.
05. XAL tool India Pvt Ltd, Pimpri.
06. Don Bosco Technical School, Chinchwad.
07. Posco India Pune Processing Centre Pvt.Ltd, Talegaon.
08. Ador welding Ltd, Akurdi.
09. Shripad Polymers Pvt Ltd, Mahalunge.
10. Green Span Agritech Pvt Ltd, Bhosari.
11. Water Treatment Equipment, Bhosari.
12. Lisa Home Solution Pvt Ltd, Pimple Gurav.
13. The Poona Diocesan Corporation Pvt Ltd, Hadapsar.
14. Surya International, Kharabwadi, Chakan.
15. Sequoia Energy & Environment Pvt Ltd, Bhosari.
16. Tru-Tek Systems Combine Pvt Ltd, Chakan.
17. Loyola High School, Pashan.
18. HP Pulzer Pvt Ltd, Chakan.
19. Fourtech Engineering Enterprises, Chakan.
20. Thermodors Pvt Ltd, Pimpri.
21. Bhachude Enterprises, Chakan.
22. Megha Trading Corporation, Chakan.
23. Sapa Heat Transfer Tubes (I) Pvt Ltd, Markal.
24. Jay Anand Krishi Udyog Pvt Ltd, Narayangoan.
25. Dias\_c Tools & Components, Bhosari.
26. Shree Swami Samarth Enterprises, Chakan.
27. St. Jude High School, Dehuroad.
28. Swara Industries, Chakan.
29. St. Anthony's Church, Shivajinagar.
30. Ashirvad Dal mill, Varale.
31. Shubham Enterpriese, Varale.
32. Utsav Industries, Savardari.
33. V. S. Industries, Hinjewadi.

## Work Excellence

1. Architectural & Structural Designing
2. PEB Building fabrication & erecting
3. All type of industrial fabrication work
4. All type of Civil work
5. Compound wall/Fencing work
6. Property Purchase & Sale
7. Property leasing work
